

Come with us and take a horseback adventure into the high country of the Canadian Rockies.

Wind your way along crystal clear mountain streams, through high alpine meadows, and over mountain passes with your trusty four-legged friend.

We offer an authentic Western Experience, combined with top quality horses that are matched to suit your ability. You will enjoy breath-taking scenery, good food, and good

times. We deal with small groups (preferring a maximum of 12 people per trip) but can accommodate larger groups on request. Expect excellent photographic opportunities. If you like fishing, bring your tackle and try your hand in our clear mountain lakes. After a full day of riding and exploring at a pace comfortable to you, we will pull into camp where

you can kick back and relax while a hearty and wholesome meal is prepared.

Listen to the strum of a guitar by the crackling fire, and when you're ready to turn in, your lodging will be walled canvas outfitter tents and comfortable cots with foams.

Deposits and Cancellations

A 50% non-refundable deposit is required to confirm your booking. Full payment is made prior to departure. If written cancellation is received 30 days prior to departure, the deposit is then transferrable to another trip in the same season.
