

### High Mountain Wilderness Camp

Trips leave every Monday morning throughout the summer. You can join us for a 4-Day Adventurer or a 7-Day Explorer. From our camp at 6500' elevation, we cover miles of mountains, valleys, rivers and passes. There is no end to the possibilities and adventure!

### The Great Divide Ride

A special 7-day trip consisting of riding along and over the Great Divide, covering over a hundred miles of mountainous terrain. Teams and wagons will transport your duffle to the next camp while the riders hit the high mountain trails between B.C. and Alberta.

### The Lost Trail Trip

Join us on this incredible trip which will take you to places you'd never dream of going on a horse. We explore trails in remote mountainous areas, and hit the highest and wildest places we can find. It's a fun-filled six day trip, and definitely for advanced riders!

### North Rim to Ranch Ride

On this moving trip, we roll into three different camps during the 7 days and it incorporates two of the most breathtaking high mountain passes we ride over. You will experience three remote mountain lakes and cover five different mountain ranges before riding into the ranch on the last day.

### Meanwhile, Back at the Ranch...

Prepare to be pampered for this six-day stay at the Anchor D Ranch. Stay in our comfortable log cabin or main Ranch house and enjoy a hot shower and breakfast. Each day you will be trucked into the mountains to enjoy our most spectacular mountain day rides. A feast will be waiting for you back at the ranch, with an evening of relaxation, entertainment and story swapping.

# Come with us and take a horseback adventure into the high country of the Canadian Rockies.

Wind your way along crystal clear mountain streams, through high alpine meadows, and over mountain passes with your trusty four-legged friend.

We offer an authentic Western Experience, combined with top quality horses that are matched to suit your ability. You will enjoy breath-taking scenery, good food, and good times.

We deal with small groups (preferring a maximum of 12 people per trip) but can accommodate larger groups on request. Expect excellent photographic opportunities. If you like fishing, bring your tackle and try your hand in our clear mountain lakes. After a full day of riding and exploring at a pace comfortable to you, we will pull into camp where you

can kick back and relax while a hearty and wholesome meal is prepared.

Listen to the strum of a guitar by the crackling fire, and when you're ready to turn in, your lodging will be walled canvas outfitter tents and comfortable cots with foamies.

## Deposits and Cancellations

A 50% non-refundable deposit is required to confirm your booking. Full payment is made prior to departure. If written cancellation is received 30 days prior to departure, the deposit is then transferrable to another trip in the same season.
